Open Call for Associates: Partner with Us to Deliver Transformative Programs

Are you passionate about empowering individuals and organizations to drive meaningful, systemic change? We're expanding our team and seeking dynamic associates to help deliver a range of innovative services, from multistakeholder co-creation to prototype coaching, facilitation, and more.

As an associate, you'll have the opportunity to work on diverse projects that foster collaboration, spark innovation, and create lasting impact. Whether you specialize in leadership coaching, facilitation, workshop design, or design and prototype coaching, we're looking for experts who can bring their unique skills to the table.

Opportunities Include:

- *Multi-Stakeholder Co-Creation*: Help diverse stakeholders navigate complex challenges, bridging perspectives and fostering bold solutions.
- *Facilitation & Workshop Design*: Lead engaging workshops and collaborative sessions that drive alignment and spark fresh insights.
- *Prototype & Design Coaching*: Guide teams from concept to creation, refining and optimizing solutions through hands-on coaching.

What You'll Bring:

- Expertise in one or more of the areas above
- Strong facilitation, coaching, and communication skills
- A collaborative mindset and passion for impact-driven work
- Ability to work with diverse groups and deliver high-quality outcomes

What We Offer:

- Opportunities to collaborate on meaningful, high-impact projects
- A supportive and purpose-driven team environment
- Flexibility in your role and the potential for long-term partnerships

If you're excited about the opportunity to contribute to impactful work and help organizations thrive, we'd love to hear from you. Send us your experience and tell us how you can help deliver our suite of services to clients. In your expression of interest, please let us know:

- If you are bilingual in English and French
- If you are able to secure liability insurance in the amount of \$2M
- Your daily rate
- Anything else you think we should know, including complementary skill sets!

Please email your expression of interest in becoming an associate of the Pond-Deshpande Centre to: innovate@unb.ca. We accept expressions of interest twice per year. Our fall submission is open until Friday, October 18th, 2024.

Together, we'll create a better future through collaboration, innovation, and leadership. We look forward to being in touch!

About the Pond-Deshpande Centre

The Pond-Deshpande Centre (PDC) is New Brunswick's social innovation partner of choice. Founded at the University of New Brunswick in 2012 with a visionary donation from entrepreneurs Gerry Pond and Gururaj & Jaishree Deshpande, PDC use social innovation and social entrepreneurship as tools to address and help solve some of society's most pressing challenges. We develop inclusive workforces, invigorate civic innovation, and create more just economic systems.
